JOHN BHORE,
Sanitary Engineer.

MYSORE DIVISION.

NOTICE.

(1) Notice is hereby given that the materials of the old Gunshed at Mysore will be auctioned at 12 noon on the 23rd April 1916.

(2) Each kind of materials will be auctioned separately, that is, Mangalore tiles, reepers, wood work, doors, windows, bricks in walls, etc., etc.

(3) The materials should be removed from the building by those who buy the same in auction. The auction will be conducted either by the undersigned or by some other officer deputed by him for the purpose.

(4) One-third of the purchase money should be paid on the date of auction and the remaining before the removal of the materials and this should be done within eight days of the sale.

N. ANANDALWAR,
For *Executive Engineer.*

HASSAN DIVISION.

Dated 22nd March 1916.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Hassan Division, up to 10th April 1916, for extending and improving the A.-V. School, Channarayapatna. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of January 1917.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Hassan, between the hours of 12 noon and 5 P.M.

3. Tenders should be submitted on printed forms, which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 250 in cash or Government promissory notes, as earnest money, and be superscribed "Tender for extending and improving the A.-V. School at Channarayapatna," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
